Payment of Top-Up premium will also increase your Policy Sum Assured, thus enhancing the insurance cover on your life.

### Tax Benefits

The premiums paid and benefits received are eligible for tax benefits under Section 80C and 10(10D) of the Income Tax Act, 1961 respectively upon fulfillment of conditions laid down for availing such benefits. ### What if I am not happy with the plan?

If You are not satisfied with any of the Terms and Conditions of the Policy, You may return the policy document to the Company for cancellation within 30 days from the date You received the Policy. Upon such cancellation, You will be paid back the non-allocated premium plus charges levied by cancellation of units plus Fund Value at the date of cancellation less proportionate risk charges, stamp duty and cost of medical examination, if any.

## What if I missed my premium due date?

We will keep You updated and will send You the reminder of renewal premium. But in case You missed the due date then You are allowed to pay premiums within the grace period of 30 days (15 days in case of monthly mode) from the premium due date.

## What if I stop paying premiums?

If the premium remains unpaid at the expiry of the grace period, the treatment of the Policy will depend on whether the premium is discontinued within the first 5 years (lock in period) of the policy or not.

### (A) Discontinuance of Premium within first five years of the Policy

The Company will send You a notice immediately after the expiry of the grace period (not later than 15 days from that date of expiry of the grace period) and provide You with the following options:

- (a) Revive the Policy within a revival period of 2 years from the date of discontinuance or
- (b) Complete withdrawal (surrender) from the Policy without any life cover.

If You do not respond to the notice sent by the Company within a period of 30 days or opts for option (b) then the Policy will be discontinued and the Discontinuance Value (Fund Value less Discontinuance charge of the year in which first premium was discontinued) will be shifted to the "Discontinuance Policy Fund". The returns of the Discontinuance Policy Fund after deduction of the fund management charges is guaranteed not to be less than rate of return stipulated by IRDAI.

The proceeds of the Discontinued Policy Fund will be paid after the expiry of the lock-in period.

If You choose option (a), the Policy will be discontinued. However, You can apply for revival of the discontinued Policy within two years from the date of discontinuance. If the Policy is not revived within this period, the proceeds will be paid out at end of lock in period. In the instances where the revival period is not completed at the end of lock in period, You can opt to receive the proceeds either upon the completion of lock in period or upon completion of revival period. If, in such cases, You do not exercise any option, then the proceeds will be paid upon the completion of lock in period.

The Policy shall be deemed to be in force as per the Terms and Conditions of the Policy till the You exercise your option or till the expiry of 30 days of notice period, whichever is earlier.

## Discontinuance Policy Fund (SFIN: ULIF01403/09/IODISCONPF0138)

The asset allocation applicable under the fund is as follows:

Asset Class	Equities	Government Securities	Money Market Instruments
Allocation Proportion	0%	60% - 100%	0% - 40%

This fund will invest in a diversified portfolio of government securities and money market instruments of short term maturities. The main objective will be to generate relatively less volatile investment income which is at least the guaranteed return of 4% p.a. or as prescribed by IRDAI in the prevailing regulation. Any excess income earned over and above the minimum guaranteed rate will also be apportioned to the Discontinuance Policy Fund.

### (B) Discontinuance of Premium after first five years of the Policy

The Company will send You a notice immediately after the expiry of the grace period (not later than 15 days from that date of expiry of the grace period) and provide You with the following options:

- a) revive the Policy within a revival period of 2 years, or
- b) completely withdraw (surrender) from the Policy, or
- c) Convert the Policy into Paid-Up policy, with Paid-up Sum Assured

Paid-Up Sum Assured = (Sum Assured) × (total number of premiums paid) / (original number of premiums payable as per the Terms and Conditions of the policy).

If option (c) is opted the Sum Assured will be reduced as per the formula mentioned above. The Company will continue deduction of applicable policy charges and keep the Policy in Paid – Up status until the Fund Value does not fall below the amount equivalent to one year's Plan Premium.

If You opt for option (a), the Policy will be treated as in-force during the revival period. You can apply for revival of the discontinued Policy within two years from the date of discontinuance. During the revival period, the Policy is deemed to be in-force with risk cover as per Terms and Conditions of the Policy and the policy charges shall

continue to be deducted.

If You do not respond to the notice sent by the Company within 30 days or opt for option (b) then the Policy will be surrendered and the Fund Value shall be paid out to You.

## REVIVAL PROVISIONS

You have the option to revive a discontinued policy within two consecutive years from the date of discontinuance of the Policy, subject to our underwriting requirements. At the time of revival:
